

Abubakr Abdelmola Mohamed C.V.

Objective

My objectives to obtain a position where I can effectively utilize my expertise in human resources, and staff recruitment and retention where I can maximize my management skills, quality assurance, program development, and training experience and my objectives focus on recognition of human capital as the resource that drives organizational success. More specific goals are the inclusion of HR leaders in overall business decision-making and the ability to demonstrate that investment in HR activities and strategy has a tremendous impact on the company's bottom line. Also to help organizations meet training and development objectives as well as i can helps to determine the training needs of the company and creates and conducts training programs for employees. And determine the most appropriate method of delivering training to meet the needs of the organization. Department training specialists consult with managers and employee supervisors to assess performance improvement needs and to organize developmental programs for new and existing employees

Human Resources & Training Manager

Conduct and supervise training and development programs for employees. Increasingly, management recognizes that training offers a way of developing skills, enhancing productivity and quality of work, and building loyalty to the firm. Training is widely accepted as a method of improving employee morale, but this is only one of the reasons for its growing importance.

Roles & Responsibilities

- ®.Identifying training and development needs within an organisation through job analysis, appraisal schemes and regular consultation with business managers and human resources departments;
- ®.Designing and developing training and development programmes based on both the organisation's and the individual's needs;
- ®.Plan, organize, and direct a wide range of training activities.
- ®.Conduct orientation sessions and arrange on-the-job training for new employees.
- ®.Considering the costs of planned programmes and keeping within budgets as assessing the return on investment of any training or development programme is becoming increasingly important;
- ®.Working in a team to produce programmes that are satisfactory to all relevant parties in an organisation, such as line managers, accountants and senior managers at board level;
- ®.Developing effective induction programmes;
- ®.Conducting appraisals;
- ®.Devising individual learning plans;
- ®.Producing training materials for in-house courses;
- ®.Managing the delivery of training and development programmes and, in a more senior role, devising a training strategy for the organisation;
- ®. Monitoring and reviewing the progress of trainees through questionnaires and discussions with managers;
- ®. Ensuring that statutory training requirements are met;
- ®. Evaluating training and development programmes;
- ®. Amending and revising programmes as necessary, in order to adapt to changes occurring in the work environment;
