1. GRADING SYSTEM OF CAMBRIDGE ASSESSMENT INTERNATIONAL EDUCATION (CAIE)

- a. A* grades introduced in recent years by Cambridge are considered by them to be a higher grade than grade A. This transcript shows, if any, A* grades are received by the student.
 - b. Cambridge Advanced Level (A Level) results are reported on a 6-point scale of grades: **A*, A, B, C, D or E**, grade **A* being the highest** and grade **E the lowest**. Cambridge Advanced Subsidiary (AS) Level results are reported on a 5-point scale of grades: **a, b, c, d or e**, grade **a being the highest** and grade **e the lowest**.
