PROFESSIONAL SUMMARY

Accomplished professional with expertise in leadership, decision-making, and strategic planning. Demonstrates advanced proficiency in MS Excel, including complex formulae, and possesses significant experience with SAP software and implementation. Skilled in business continuity planning, financial reporting, and problem-solving, complemented by strong communication skills and team-building capabilities. Committed to leveraging these competencies to drive organizational success and achieve long-term career growth.

WORK HISTORY

BD COORDINATOR, 08/2024 - Current

LINRCO Pakistan

1 year experience

During my tenure, I gained hands-on experience and practical training in key operational areas, including handling Purchase Orders (POs), processing Sales Orders, and managing Manpower Requests (MPRs). I worked extensively with SAP software, utilizing its various modules to support daily business operations and ensure accurate and efficient workflow. My role involved coordinating with internal departments, maintaining data integrity, and contributing to process optimization across procurement and workforce planning activities.

INTERNSHIP TRAINEE, 06/2024 - 08/2024

UBL Bank

I completed a 3-month internship in the banking sector, where I received practical training in various core functions. My responsibilities included working in the Accounts Department, assisting with clearing and remittance processes, and supporting account opening procedures. I also engaged in customer relations and marketing activities, helping to enhance client satisfaction and promote banking services. This experience provided me with a solid foundation in day-to-day banking operations and strengthened my communication and organizational skills.

FREELANCER, 07/2021 - 02/2024

Freelancing expert, Worldwide

As a Freelancing Expert working with clients worldwide, I gained practical experience across multiple areas of the industry. My role involved delivering high-

quality services while ensuring exceptional customer satisfaction. I consistently provided friendly, efficient support and effectively handled challenging situations. Throughout my work, I focused on improving productivity by acquiring new skills and applying them to enhance task efficiency. I successfully met tight deadlines, demonstrating strong time management and attention to detail. My responsibilities also included creating professional documents and communications using Microsoft Word and other software tools, ensuring clarity and precision. This experience strengthened my ability to work independently, adapt quickly, and consistently meet client expectations across diverse projects.

INTERNSHIP TRAINEE, 09/2022 - 11/2022

Wah Industries Limited

I completed a 6-week internship where I received practical training in Human Resource Management and Administrative operations. During this period, I gained exposure to core HR practices, including employee engagement, recruitment processes, and organizational policies. I assisted in daily administrative tasks, maintained records, and supported HR initiatives to ensure smooth departmental functioning. This experience enhanced my understanding of HR roles and responsibilities while strengthening my communication, coordination, and organizational skills.

INTERNSHIP TRAINEE, 07/2022 - 09/2022

Askari Bank

During my internship in the banking sector, I received hands-on training across key departments, including Accounts, Clearing and Remittance, and the Credit Department. I was involved in account opening processes, customer relations, and marketing activities, enhancing my communication and service skills. Additionally, I gained practical exposure to credit operations related to auto, home mortgage, agriculture, and business loans. This experience provided me with a comprehensive understanding of daily banking functions and strengthened my ability to work in a professional financial environment.
