PROFESSIONAL SUMMARY

I am a highly motivated and detail-orientated aspiring accounting professional with a Bachelor's Degree in Accounting and Finance with Merit honours and emerged as the overall best graduating student in my class and prestigious School of Business Studies. With academia and industry experience through roles in Retail businesses, as well as Commercial and Finance departments, I am highly skilled in applying financial principles, processes, and regulations with proven accounting aptitude. Trained in all round finance related matters with exceptional attention to detail. Furthermore, I possess dynamic analysis skills, strong financial knowledge, a quick grasp of concepts, and the ability to perform accurately under high stress situations.
